**** PRESS RELEASE ****

For Immediate Release
Sunday November 13, 2011

On Friday November 11, 2011 at 01:17pm the Guttenberg Fire Department was dispatched to 37493 Olympic Avenue for a structure fire. Before arrival the department was notified that the mobile home was fully involved. Everyone was out of the structure upon arrival of the Fire Department and there were no reported injuries. The fire was brought under control after an initial fire attack, but the structure and all contents were a total loss. There was also minimal heat damage to a nearby house. The fire department remained on scene until all possible fire sources were contained to the best of our ability.

After an initial investigation the cause of the fire is still undetermined. The investigation remains open as further information is being sought. At this time there are no immediate signs that the fire was intentional and is being ruled accidental.

The American Red Cross was contacted to assist the home owner. The Guttenberg Fire Department was assisted by the Holly Cross Fire Department, New Vienna/Luxemburg Fire Department, Guttenberg Ambulance, Clayton County Sheriff's Department, Guttenberg Police Department, and Iowa State Patrol.
