****** PRESS RELEASE ******

For Immediate Release
Wednesday February 9, 2011

On Wednesday February 9, 2011 at 11:19am the Guttenberg Fire Department was dispatched to a structure fire at 38856 Graham Road. Upon arrival the department confirmed a working structure fire in a two story house with attached garage. Everyone was out of the structure upon arrival of the Fire Department and there were no reported injuries. The fire was brought under control after an initial fire attack, but the structure was a total loss. The fire department remained on scene until all possible fire sources were contained to the best of our ability.

After an initial investigation the origin of the fire appeared to be in the garage. There was no one reported home at the time of the fire, but unfortunately the family dog was lost in the fire. The fire is currently under investigation. There are no signs of this fire being set intentionally at this time.

American Red Cross has been called in to assist the family.

The Guttenberg Fire Department was assisted by the Colesburg Fire Department, New Vienna/Luxemberg Fire Department, Garber Fire Department, Garnavillo Fire Department, Guttenberg Ambulance, Clayton County Sheriff's Department, Iowa State Patrol, and Clayton County Roads Department.

Captain Joe Zittergruen
Investigator
Guttenberg Fire Department
