MEDIA/PRESS INVITATION

Tuesday September 27, 2011

On Thursday September 29, 2011 at 05:00pm the Guttenberg Fire Department will be participating in a live fire training involving a natural gas emergency. This training will consist of a hands-on demonstration of controlling and containing a live natural gas fire. Personnel from Black Hills Energy will be on hand to demonstrate how natural gas emergencies happen and how to control them.

At this time we would like to take the opportunity to invite all press and media who would like to attend to meet at the following location.

WHERE: Guttenberg Fire Station
210 Pearl Street
Guttenberg, IA 52052

WHEN: Thursday September 29, 2011
5:00pm

Please contact Training Officer Joe Zittergruen with any questions. The contact info at the top of the letterhead may be used.
